The Premier Division was introduced in 1991. To align with the Devon Cricket League records, Divisions prior to this year have been incremented by one. In 1990 Exeter St Thomas withdrew from the league, consequently only 20 games were played. In 1999 the league was restructured so each division consisted of 10 teams. Consequently, Brixham finished eighth in 1998 but were relegated. There was no promotion or relegation in 2001 due to the Foot & Mouth epidemic. In 2013 Winning and Losing Draws were dispensed with and replaced with win / lose only.*Finished bottom but one - not relegated due to the ineligibility of another side to remain in the A Division.
